

BORDEAUX INTERNATIONAL SCHOOL
NEWSLETTER / BULLETIN D'INFORMATION - N° 5 – MAR/APRIL 2009
2nd Term 2008 – 2009

PTA

The next meeting will be on **Monday, 30th March at 16.15**. On the agenda: organization of the many events to come (Jogathon with members of the "Girondins" football team ; bake sales ; play ground ; school outings); and an occasion to reflect on the possible effects of the actual economic crisis on families, students and the school.

OPEN DAY

About thirty visitors came to visit the school and were delighted to be taken around by Primary students – who showed great pleasure and pride in taking part.

VIOLIN

Some 'privileged' visitors during the Open Day were able to see a violin class. They praised their enthusiasm and the quality of their playing. You are welcome to discover the class as well on Monday, 6th April at 16.30.

CARNIVAL

This year, most of the Secondary students with their masks joined in with the primary in their parade through the local streets to the obvious pleasure of the neighbours.

FORMER STUDENT

Because of the fact that most of our students are very "mobile", it is not always easy to obtain news from former students of BIS. Therefore, we are very pleased to share the news we have recently received concerning Enzo (who started school at BIS at the age of 4, followed onto Primary and Middle School, and left last June, to continue into a French 5^{ème} in Bordeaux). Enzo has been congratulated by his 'Conseil de Classe' for his exceptional results during his first term (obtaining the best grade in French in the whole class). On top of his academic achievements, the school praised his seriousness, his motivation and his aptitude to work autonomously. BIS also congratulates Enzo for his success, which we are very happy to share.

CALENDAR - ACTIVITIES

This end of term is particularly busy and we would like you to be aware of forthcoming activities and events. Please remember that information on dates, etc is provided by each section, the newsletters, on school notice boards, and on the school web site.

REMINDER

Friday, 27th March – school closed for Middle School and Secondary due to professional development.
