DIRECTIONS – COMING FROM SPAIN, TOULOUSE OR PAU (A62)

On arriving at Bordeaux, follow signs for "Bordeaux-Centre Ville" which will lead to the quays. Get into the left hand lane then **follow signs for "Boulevards"** which is one long inner ring road that has different names and which begins with "Boulevard Jean Jacques Bosc" (you will come across a roundabout before joining the boulevards).

Continue along the boulevards (for between 25 – 40 minutes) until you arrive at Barrière d'Arès and a set of traffic lights where you will see a 'Total' station on the corner. Turn right at the lights onto Rue Georges Bonnac. Get into the left hand lane and turn left (2nd street) onto Rue de Vincennes. Go straight on until you reach a second set of traffic lights. Turn left on to Rue Judaïque. The school is immediately on your left-hand side.

PARKING : Rue Judaïque is a one-way street leading from the city centre out towards the boulevards. Visitors have to find a parking space either on the Rue Judaïque or in one of the other surrounding side streets.

THERE ARE ROADWORKS AT THE MOMENT FOR THE CONSTRUCTION OF THE BORDEAUX TRAMWAY - PLEASE ALLOW EXTRA TIME FOR YOUR TRAVEL

We look forward to seeing you.
